

Application for Childhood Calendar model session

Oana Hogrefe Photography (<http://www.shutterview.com>) has issued a model search for children aged 0 to 14, to be photographed and considered for the **2013 Childhood Calendar**. This project is a yearly charity effort which each year benefits a child-centered non-profit organization.

The 2012 beneficiary was the Jack and Jill Late Stage Cancer Foundation, for whom the Childhood Calendar participants and supporters helped raise \$6,000.

The 2013 calendar will benefit March of Dimes, a well-known and highly relevant organization, which is committed to improving the lives of mothers and babies, through prevention of premature births.

The Childhood Calendar will feature 12 months of evocative, impactful images of children by Oana Hogrefe Photography. The theme for 2012 is "As we grow" and will focus on the beauty of children at each age and stage of life. ALL net profits from this fundraiser will be donated to March of Dimes.

Oana Hogrefe will waive her session fee for these special photography sessions. The applicant will pay \$105, which will go entirely towards the Childhood Calendar project. The applicant will receive a 35 minute photography session and a 5x7 print. The sessions will take place in May and July 2012. Space is limited and will be filled upon approval on a first come first served basis. Sessions book several weeks in advance, so contact us as soon as you know you'd like your child to be part of this fundraiser effort. The focus of the session will be in line with the year's calendar theme.

The final selection of the 12 images to be featured in the calendar will take place in September 2011. One image per family (chosen by Oana Hogrefe Photography from among the session images) will be entered into an online voting contest. \$1 grants one vote. This is another avenue through which funds are raised for our beneficiary.

The top 12 winning images will be guaranteed a featured month in the calendar. The calendar will become available for purchase in Fall 2011. ALL net profits from the online voting and the sale of the calendars will go to our benefiting charity.
